The weekend closes with **Scooterama** on Sunday 16th June, 11-5pm. This will be Leicester's first 'on street' scooter exhibition on New Market Square with Tailgate UK Vintage and Independent Market and street food by Canteen UK. There will be Skd & Mod DJs, a live set by Acoustic 45s, plus DJs Ben and Zak Hefford. Grays Kitchen at The LCB Depot has a special Wimpy inspired menu and 60s bar. City centre bars, venues, shops and restaurants are going Mod for the whole weekend and offering discounts for all those attending events (just download a discount card or pick one up from New Walk Museum, Soft Touch Arts or Visit Leicester).

This is set to be huge, so set some time aside and make the most of it!
